

A BRICK WALLS & BUCKEYES RESEARCH TOOL

Ohio Newspaper Research Log

Track every title you've checked, and where to check it

Use this log alongside any county's Research Guide on brickwallsbuckeyes.com. List every newspaper title that covered your ancestor's township or town, note the years it ran, where it can be searched (Chronicling America, Ohio Memory, NewspaperArchive, GenealogyBank, a local library's digital archive, or in-person microfilm), and check it off once you've actually searched it, not just found it.

County: _____

Ancestor / Surname: _____

Newspaper Title	Years	Where Found	URL / Call #	Checked	Notes

Where to check first: Chronicling America (chroniclingamerica.loc.gov, free) and Ohio Memory (ohiomemory.ohiohistory.org, free) cover many Ohio titles statewide. Your county's Research Guide on this site lists the local library or historical society that holds microfilm for titles not digitized elsewhere. NewspaperArchive.com and GenealogyBank are subscription sites some libraries offer free with a library card, check before paying for access yourself.
